

# Employee Information For Work-Related Injuries

Section 306(f.1)(1) of the Pennsylvania Worker' Compensation Act provides for the payment of medical treatment for work-related injuries. The information below describes your responsibilities if you are injured. **PLEASE READ CAREFULLY.**

1. If you suffer a work-related injury, your employer or its insurance company, State Workers' Insurance Fund, must pay for reasonable surgical and medical services rendered by physicians or other health care providers as, and when, needed.
2. You must continue to visit one of the physicians/health care providers listed below, if you need treatment for **90 days from the date of your first visit.**
3. Subsequent treatment may be provided, upon completion of the **90 day** period, by any physician/health care provider, or a combination thereof, of the employee's own choice, and such treatment shall be paid for by the employer or its insurance company.
4. If you choose to go to another physician/health care provider after the **90 day** period;
  - a. You must notify your employer of this action with **5 days** of your visit to the physician/health care provider;
  - b. Your physician/health care provider must submit reports as required with **10 days** after your first visit and **at least once a month thereafter.** Each report, where pertinent, will include history, diagnosis, treatment, prognosis and physical findings.
  - c. Your employer or its insurance company shall not be liable to pay for such treatment until a report has been filed.
5. If you are referred to another physician/health care provider by one of the persons mentioned below, your employer or its insurance company will pay for these services.
6. If you are faced with a medical emergency, you may secure assistance from a hospital or physician/health care provider of your choice. However, once the emergency no longer exists, the injured employee must treat with a listed provider for the remainder of the 90 day period.
7. To insure that your medical treatment, medicines and supplies will be paid for by your employer or its insurance company, or if your employer is participating in our **SWIF care** program, you must seek treatment from one of the physicians or other health care providers listed below:
